THE MOST COMFORTABLE BEDS IN THE WORLD

Sofa Beds

CHOICES & OPTIONS

Technology, fed by tradition

An award-winning, fifth-generation, family-run British company, we have been handcrafting a variety of high quality sleep solutions, using time-honoured methods for over 100 years.

Combining traditional skills with constant innovation, Hypnos Contract Beds has a reputation for making the most comfortable beds and sofa beds in the world, using cutting-edge technology and research to advance the business of sleep.

We are a dedicated manufacturer of comprehensive Hospitality Sleep Solutions, encompassing sleep sets, fabrics and sofa beds, to ensure the widest range of sleep options for

our clients. We employ a variety of modern techniques, including pressure mapping, sleep surveys, load/roll testing and Martindale testing, combining these with state-of-the-art hygiene treatments, to ensure that guests enjoy the safest, most comfortable and hygienic sleep experience possible, whilst maximising durability, longevity and cost-effectiveness for our clients.

We are committed to developing a true partnership with our clients worldwide, offering consultancy, advice and ongoing tailor-made support in delivery of quality, value and individual sleep solutions - a drive recognised by the granting of our Royal Warrant from Her Majesty Queen Elizabeth II.

Committed to global sustainability through 100% recyclability

Hypnos Contract Beds are the UK's first carbon neutral bed manufacturer, an accolade of which we are very proud. We are committed to sustainable design and responsible sourcing, complying with the PAS 2060 Carbon Neutrality Standard. Our UK facilities are FSC® certified and have passed the Sedex™ ethical trading audit.

This commitment to environmental sustainability - throughout the design and manufacturing process - comes as standard for our hospitality clients, enhancing their own credentials as ecologically responsible businesses whilst maintaining an uncompromising level of excellence.

Our unique bed disposal service deconstructs beds and sofa beds, and creates recycled raw materials for re-use in other industries.

Sofa beds...

...A vital piece of the jigsaw

Our sofa beds are an integral part of our Hospitality Sleep Solutions range, adding flexibility and cost-effective value to our partners' accommodation offerings.

As an experienced bed manufacturer and expert in sleep, we apply the same rigorous standards to our sofa bed manufacturing and design processes, ensuring a consistent sleep experience across the range.

Our sofa bed collection is contemporary and stylish, offering clients a further opportunity to enhance their profitability and flexibility of room usage. Some sofa beds also include additional storage.

Using hardwood frames throughout, premium quality fabrics, and combining them with the industry's leading internal mechanisms, ensures a highly durable and robust sleep experience for our sofa bed users.

Adding the finishing touch...

...Complete your bespoke sleep solution

At Hypnos Contract Beds we pride ourselves on being able to deliver the perfect sleep solution for each individual hotelier.

A big part of this is the final design and colour scheme of your sofa bed, and with several fabrics to choose from, our Designed for Sleep hospitality fabric collection is as wide as our clients' requirements.

All of our fabrics conform to the latest fire safety standard of BS7177:2008 (Crib 5), with most also conforming to BS7176, and are regularly tested for compliance. They also undergo regular Martindale testing to evaluate resistance to wear and abrasion, ensuring their durability.

At Hypnos, we believe there should be no stone unturned in finding perfection.
