SIGNATURE WOOLSLEEPER

The Woolsleeper has been designed to deliver the ultimate sleep experience with the utmost care for our environment.

Individual pocket springs complement the body contours of the guest whilst 100% British wool certified by the Responsible Wool Standard and eOlus™ Precision adds luxury. Wool responds naturally to fluctuations in body temperature to provide the perfect nights' sleep not matter the time of year.

This seasonal turn mattress provides absolute comfort, ensuring a wonderful sleep experience, night after night.

The ReActive DUO™ pocket springs are specifically engineered to deliver the ultimate comfort time after time. eOlus™ is made from plastic bottles that otherwise would have gone to landfill.

Constructed with our Triple Edge Protection™ to provide true edge-to-edge support. Made to BS7177 Medium Hazard (Crib 5) fire safety standard.

Designed to be recycled at end of life.
