HYPNOS

THE MOST COMFORTABLE BEDS IN THE WORLD

SLIMBASE

The SlimBase lower profile design makes it the perfect style statement for contemporary guestrooms. As with all Hypnos bases, it has sturdy solid top construction for ultimate stability.

BED BASE DIMENSIONS

90cm x 190cm	90cm x 200cm	100cm x 200cm	135cm x 190cm	135cm x 200cm	140cm x 200cm	150cm x 200cm	160cm x 200cm	180cm x 200cm	200cm x 200cm
One piece	One piece	One piece	N/S	N/S	N/S	N/S	N/S	N/S	N/S

N/S = North/South. Split vertically for the zip and link two-piece bed system.

BED BASE HEIGHT

With castor or glide	390mm
Without castor or glide	255mm

We source our timber exclusively from FSC® certified suppliers.

CASTORS AND GLIDES

Our standard SlimBase divan configuration comprises of castors at the head, with glides in the middle and the foot end of the bed base. This provides stability on both carpets and hard floors, whilst facilitating lifting and moving by housekeeping.

Castor
Height: 135mm

Glide
Height: 135mm

EASYLINK

Developed in response to demand from housekeepers for Zip & Link beds that are easier and safer to use and quicker to transform room function, EasyLink allows for the combination of a number of bed base options. It is a discreet but effective linking solution that does not detract from the aesthetics of the bed base and ensures a perfect sleep experience.
