BEAUMONT BOUTIQUE PILLOW TOP

The Beaumont Boutique Pillow Top combines comfort with housekeeping practicality. This no turn mattress is filled with luxury wool and polyester, offering a sumptuous sleeping surface whilst regulating body temperature the whole year round. Being a no-turn option, the Beaumont Boutique Pillow Top mattress reduces housekeeping time significantly, one of the key factors in its selection by leading UK hotel chains.

Covered in a viscose and polyester fabric for a beautifully soft, breathable and hygienic sleep surface. Our unique blend of wool and eOlus™ creates a sumptuous pillow top for supreme comfort.

The ReActive™ pocket springs are specially engineered to deliver utmost comfort, time after time. eOlus™ Precision is made from recycled plastic bottles that otherwise would have gone to landfill.

Made to BS7177 Medium Hazard (Crib 5) fire safety standard.

Designed to be recycled at end of life.
