## LANSDOWNE CASHMERE

The Lansdowne Cashmere is our top-of-the-range hospitality mattress. The naturally soft and breathable layers of wool, cashmere, and dual density polyester sustainable fibre, help to effectively regulate body temperature to ensure a great night's sleep.

Covered in a beautiful Hypnos God of Sleep woven damask made from 100% natural viscose to provide a luxurious, breathable, and hygienic sleeping surface. Our unique cashmere, wool, and polyester blend provides ultimate softness and luxury.

The ReActive™ pocket spring core is specially engineered to deliver utmost comfort, time after time. GRS Dual density polyester is made from recycled plastic bottles that otherwise would have gone to landfill. The unique Hypnos edge protection system provides contract specification edge-to-edge support.

Chrome vents aid breathability within the mattress. The horizontal handles ease mattress positioning on the bed base. Made to BS7177 Medium Hazard (Crib 5) fire safety standard.

Designed to be recycled at end of life.
