Side Protection

 **purecare** **MATTRESS PROTECTOR**
Make home the heart of wellness

Our award-winning OmniGuard® Advance mattress protector covers the top and sides of your mattress, creating a 5-sided barrier against moisture, allergens, dust mites, mould, mildew and stains.

OmniGuard® Advance is the unique base fabric used as the foundation of our entire premium mattress and pillow protector collection. Designed to deliver the highest standards of cleaner sleep and whisper-quiet protection, it's no wonder why our OmniGuard® collection has earned the title of the official protectors of both the Women's Choice Award and the National Sleep Foundation.

Our OmniGuard® Advance fabric should be washed and dried on hot to provide the cleanest, most hygienic sleep surface.

5 year warranty from product defects

Provides a physical barrier against:
