

Divan Fitting Instructions

SlimBase Single

SlimBase Divan x 1

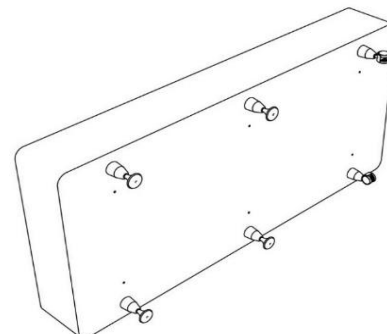

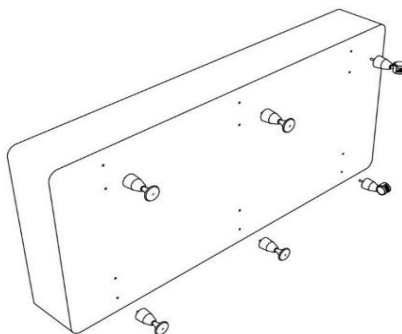

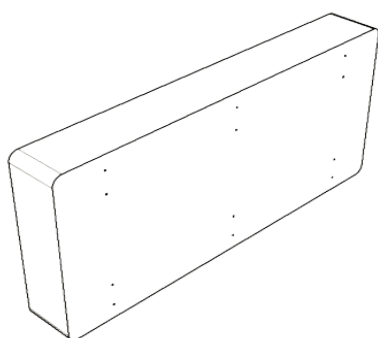

Part's list
Short Legs with castors x 2

Short Legs with glides x 4

1 - Unwrap the SlimBase and position it safely on its side.

2 - Manually screw the Legs into the holes provided on the bottom of the SlimBase making sure they are secure.
The set of holes towards the inside are for INSET leg position.

3 - Now rotate the SlimBase so it is safely on the floor.
